

The screenshot shows a computer screen with three overlapping windows. The top-left window is a web browser displaying a quiz question on csus.instructure.com. The question asks for an FSM for the language  $L = \{a^r b^s c^t d^u \mid r = |s|a^2b + db^3ad + dc \text{ over the alphabet } \{a, b, c, d\}\}$ . It also asks for transition sequences to validate examples. The top-right window is a video call with Santiago Bermudez, who is wearing a headset and a dark jacket. The bottom-right window is a chat interface with Santiago Bermudez, showing a list of messages and a chat input field. The bottom of the screen shows a Windows taskbar with various icons and the system clock at 7:59 PM on 11/20/2020.
