

Practice-it Homework

Make sure that you are doing the practice-it 4th edition.

Table below shows the selected problems that needs to be done for each chapter. Pay attention that you need to do some of the problems from “Self Check: and some from “Exercise” for each chapter. Please ask for help during the lab if you are not sure about any of the given problems.

What to turn in:

After solving all the assigned problems for each chapter, you need to upload a pdf file on canvas.

How to create a pdf file:

1. Open the practice-it for the chapter you want to turn in
2. Write click on the page
3. Select print
4. Select Save as pdf

If you have not created an account yet, please Create an account by visiting the following website and start your homework early.
